**DEFENDANT KEBE’S OBJECTIONS AND RESPONSES TO
PLAINTIFF’S FIRST REQUESTS TO LATASHA KEBE FOR THE
PRODUCTION OF DOCUMENTS AND THINGS**

COMES NOW Latasha Kebe (hereinafter referred to as “Ms. Kebe”), by and through undersigned Counsel, and pursuant to Rule 34 hereby files her Responses and Objections to Plaintiff’s First Requests to Latasha Kebe For the Production of Documents and Things.

GENERAL OBJECTIONS

Ms. Kebe objects to each Request: (1) insofar as it calls for the production of documents not in Plaintiff’s possession, custody, or control; (2) insofar as it calls for the production of documents that were prepared for or in anticipation of litigation, constitute attorney work product, contain attorney-client communications, or are otherwise privileged; (3) insofar as it calls for the production of documents which

are publicly available or otherwise equally available and/or uniquely available or equally available on the Internet or from third parties; (4) insofar as it calls for the production of documents that do not specifically refer to the events which are the subject matter of this litigation; and (5) insofar as it calls for the production of documents which are neither relevant to the subject matter of this litigation nor reasonably calculated to lead to the discovery of admissible evidence.

Ms. Kebe submits these responses and objections without conceding the relevancy or materiality of the subject matter of any request or of any document, or that any responsive materials exist.

Ms. Kebe's responses and objections are not intended to be, and shall not be construed as, agreement with Plaintiff's characterization of any facts, circumstances, or legal obligations. Ms. Kebe reserves the right to contest any such characterization as inaccurate.

Ms. Kebe also objects to the Requests to the extent they contain any express or implied assumptions of fact or law concerning matters at issue in this litigation.

Subject to and without waiving the any objections, Ms. Kebe provides the following responses:

**SPECIFIC OBJECTIONS AND RESPONSES TO PLAINTIFFS' FIRST
REQUEST FOR PRODUCTION OF DOCUMENTS**

Request No. 1. *Copies, in native format, of any Published Content.*

Response to Request No. 1

Ms. Kebe objects on the grounds that “Published Content” as defined by Plaintiff in her Interrogatories calls for the production of documents which are publicly available or otherwise equally available equally available on the Internet or from third parties. Ms. Kebe also objects on the grounds that “Native Format” as defined by Plaintiff in her Interrogatories calls for the production of documents to calls for the production of documents which are neither relevant to the subject matter of this litigation nor reasonably calculated to lead to the discovery of admissible evidence. Ms. Kebe further objects to Plaintiff’s definition of “Native Format” as overly broad and unduly burdensome to the extent it seeks metadata.

Subject to and without waiving the foregoing objections, Ms. Kebe is producing all videos that are responsive to this request (referenced in paragraph 32 of Plaintiff’s First Set of Interrogatories to Defendant Latasha Kebe) on the enclosed Flash Drive at Bates numbers Kebe-026 through Kebe-055, except for the dates of April 19, 2018 and September 29, 2018 for the following reasons: (i) no such video exists; or (ii) if any video was

published on that date, it was removed by YouTube for violation of their community guidelines. Ms. Kebe does not possess any raw footage for those dates.

Ms. Kebe will produce the “1/25 Tweet” and the “Lovelyti Call” as they become available.

Request No. 2. *Copies, in native format, of any Unpublished Content.*

Response to Request No. 2

There are no documents that are responsive.

Request No. 3. *Communications between Kebe and any person concerning the Published Content or the Unpublished Content.*

Response to Request No. 3

Subject to and without waiving any objections, Ms. Kebe is producing all communications in her possession that are responsive to this request on the enclosed Flash Drive at Bates numbers Kebe 005, Kebe 021, Kebe 022, Kebe 050, Kebe 093-100, Kebe 144, and Kebe 145-146.

Any communications via Instagram Direct Messenger were under Ms. Kebe’s former handle “unwinewithtasha” which Ms. Kebe no longer has access to after being deleted by Instagram. Facebook, Inc. has access to this information.

Request No. 4. *Documents concerning the deletion of any of the Defendant Social Media Accounts (including but not limited to any communications between Kebe and a representative of a Social Media Platform).*

Response to Request No. 4

Subject to and without waiving any objections, Ms. Kebe will produce relevant, non-privileged documents that are responsive to this request on a rolling basis as they become available.

Request No. 5. *Documents concerning the preservation of information and data (including but not limited to account information, web pages, posts, and Content) associated with each Defendant Social Media Account.*

Response to Request No. 5

Subject to and without waiving any objections, Ms. Kebe is producing REDACTED documents that are responsive to this request on the enclosed Flash Drive at Bates numbers Kebe-001 through Kebe-004. The redacted line on Kebe-0003 is appropriate since it refers to a totally separate and distinct legal matter involving a client represented by Ms. Kebe's legal team. Although Ms. Kebe's legal team addressed legal matters in separate letters, counsel for Facebook, Inc. elected to reference both cases in their reply to Ms. Kebe's legal team's "Notice to Preserve Data".

Request No. 6. *Copies of all the raw footage from which the Videos were made.*

Response to Request No.6

Subject to and without waiving any objections, Ms. Kebe is producing all available raw footage that are responsive to this request (referenced in paragraph 32 of Plaintiff's First Set of Interrogatories to Defendant Latasha Kebe) on the enclosed Flash Drive at Bates numbers Kebe-056 through Kebe-062. If no raw footage exists either: (i) no such video was produced on the requested date; (ii) video is from a "live" stream; or (iii) When Ms. Kebe first began to publish pre-recorded Content on her YouTube channel, she would delete the raw footage as soon as the edited Content was uploaded. Ms. Kebe's sole reason for deleting raw footage of pre-recorded Content was to preserve memory and storage space on her computer. Any deletions of raw footage occurred before Ms. Kebe knew, or should have known, about the prospect of this litigation. Furthermore, prior to receiving notice of this litigation, Ms. Kebe and Mr. Kebe implemented new procedures for preserving all pre-recorded Content (raw and edited), which prevents the deletion of raw footage.

Request No. 7. *Documents concerning Kebe's belief that Jones suffers from a mental illness, as stated by Kebe in the Lovelyti Call.*

Response to Request No.7

Ms. Kebe submits this response without conceding the relevancy or materiality of the subject matter of any request or of any document, or that any responsive materials exist. Ms. Kebe's response is not intended to be, and shall not be construed as, agreement with Plaintiff's characterization of any facts, circumstances, or legal obligations. Ms. Kebe submits this response without conceding the relevancy or materiality of the subject matter of any request or of any document, or that any responsive materials exist. Ms. Kebe's response is not intended to be, and shall not be construed as, agreement with Plaintiff's characterization of any facts, circumstances, or legal obligations. Response to Request No.18

Ms. Kebe submits this response without conceding the relevancy or materiality of the subject matter of any request or of any document, or that any responsive materials exist. Ms. Kebe's response is not intended to be, and shall not be construed as, agreement with Plaintiff's characterization of any facts, circumstances, or legal obligations.
